District Champions and International Contest Competitors

Summary of “Champions”

This mini-history of *Barbershopping in the Carolinas 1948-2010* identifies and celebrates the quartets and choruses from the North and South Carolina chapters that were Dixie District Champions or represented the Dixie District at International Contests of the Society of the Preservation and Encouragement of Barbershop Quartet Singing, Inc. (S.P.E.B.S.Q.S.A., Inc.), now called the Barbershop Harmony Society, from 1948 until the Carolinas District was established in July 2010. The Carolinas District considers all of these quartets and choruses “Champions”.

The first “Carolinas” chapters of the S.P.E.B.S.Q.S.A. were Asheville, NC (chartered June 10, 1948), Canton, NC (chartered December 30, 1948), and Winston-Salem, NC (chartered January 24, 1949). It did not take long for a Carolinas quartet to become the Dixie District Quartet Champion and to compete at an International Quartet Contest: The *Vagabonds* from Winston-Salem, NC competed at the 1950 Contest in Omaha, Nebraska and were the 1952 District Quartet Champion. Over the 63 years from 1948 to 2010:

- Twelve Carolinas quartets were the Dixie District Quartet Champion
- Seventeen Carolinas quartets competed at 33 International Contests

The first official International Chorus Contest was held at the 1954 International Convention in Washington, DC. The *Tobacco Belt Chorus* from the Winston-Salem, NC Chapter competed. Over the next 57 years:

- Eight Carolinas choruses won a total of 17 Dixie District Chorus Championships
- Four Carolinas choruses competed at 11 International Contests

Of special note is that the 1980s was the Carolina’s decade for winning Dixie District competitions. Carolina choruses won ten straight Dixie District Championships 1979-1988 and represented the Dixie District at the International Contests 1980-1989 including a Fifth Place Medal by *General Assembly* from the Research Triangle Park, NC Chapter in 1986. Carolinas quartets won three Dixie District Championships and four quartets represented the Dixie District at the International Contest seven of the ten years.

The International Senior Quartet Contests started in 1986. Over the 12-year period 1997-2010:

- Eight Carolinas seniors quartets were Dixie District Seniors Quartet Champion
- Five Carolinas seniors quartets competed at 10 International Senior Quartet Contests

The first Collegiate Barbershop Quartet Contest was held at the 1992 International Convention in New Orleans, LA. Over the next 17 years Carolinas Collegiate quartets had an impressive record:

- Five Carolinas quartets were Dixie District Collegiate Quartet Champions
- Nine Carolinas quartets competed at 13 International Collegiate Quartet Contests

Of special note is the contribution of Appalachian State University. Quartets from “App State” competed in 11 International Collegiate Contests. An impressive accomplishment, the more so, considering that it included three Collegiate Quartet Medalists: *Low Down Sound*, Silver Medalist in 2000 and Third Place Medalist in 2001, and *King Street Blues*, Fifth Place Medalists in 2002.

The remainder of this history is a chronological presentation of all Carolinas quartets and choruses that were Dixie District Champions and/or represented the Dixie District at International Contests follows.

The *Vagabonds*, two sets of brothers, sang on the first Winston Salem Chapter show in September 1949. They placed second a few months later at the 1950 Regional Preliminary Contest and when the winners had to drop out they competed at the 1950 International Contest placing 37th. They qualified for the next two International Contests making the finals (top 15 quartets) both years. They won the 1952 Dixie District Quartet Championship in October 1952. They qualified for the 1953 International Contest in Detroit but did not compete because the bass moved to Florida.

The Society held the first official International Chorus Contest in 1954 in Washington, DC. Two choruses represented the Dixie District: The *St. Petersburg Chorus* had won the first Regional Preliminary Contest (held in May 1954) and the *Tobacco Belt Chorus* from the Winston-Salem, NC Chapter was also invited to sing. They were directed by Archer Livengood and finished 22nd with 24 men on stage. It would not be until 1980 that another Carolinas chorus, *General Assembly* from the Research Triangle Park, NC Chapter, competed at an International Chorus Contest.

Southern Aristocrats

Greensboro, NC

The ***Southern Aristocrats*** organized in July 1957 and qualified at their first Preliminary Quartet Contest in spring 1958. Over the next ten years, with a few changes in members, the quartet represented the Dixie District at eight International Contests and was the 1963 Dixie District Quartet Champion.

The *Dixie Colonels* were formed in May 1957 and by November of that year they had placed high in Dixie District competition. They were runner-ups in the 1958, 1959, and 1960 International Quartet Preliminary Contests. “The Colonels” won the 1960 Dixie District Quartet Championship in the fall 1960. They finally qualified for the 1961 International in Pittsburgh, PA placing 33rd. At this point they were a really good show quartet but decided that competition was not their thing.

Early District Chorus Champions

Although the Dixie District had been holding an International Preliminary Chorus Contest at the fall conventions since 1954, it wasn’t until 1963 a District Chorus Champion Contest was added to the spring convention. Four of the first seven Dixie District Chorus Champions were from the Carolinas.

The *Greensboro Chorus* from Greensboro, NC won the 1964-65 Dixie District Chorus Championship¹. The Greensboro Chapter was chartered in January 1951. The chorus was directed by Baxter Westmoreland who was the lead of *Southern Aristocrats*.

¹ *The Rebel Rouser*, May-Jun 1964, reported that Greensboro, NC won the District Chorus Contest at the 1964 spring convention. Originally Greensboro was designated the 1964-65 Chorus Champion; however, by 1984 the official records of the Dixie District designated Greensboro as the 1965 District Chorus Champion. This same date anomaly also applies to the Marion, NC (1966), Raleigh, NC (1967), Spartanburg, SC (1970), and Raleigh, NC (1975) champions.

The Marion, NC Chapter has chartered in June 1959. Four years and nine months later, the *Marion Barbershop Chorus*, under the direction of Robert Gourley, won the 1965-66 Dixie District Chorus Championship.

The Raleigh, NC Chapter was chartered December 1961 with 26 members. Over the next few years the chapter grew under the musical leadership of Paul Conway to the point in 1967 that the chapter had over 80 members and for several years was the largest chapter in the Dixie District. First known as the *Raleigh Chapter Chorus*, they were called the *Capital Harmonaires* when they won the 1966-1967 Dixie District Chorus Championship, only four years and four months after chartering. By 1970 they were known as the *Sir Walter Chorus*.

Kappa-Tones

Raleigh, NC

In the 1960s the North Carolina State Men's Glee club included a barbershop quartet. *The Rebel Rouser*, March-April 1963, reported that "Raleigh Director, Paul Conway, has a new quartet in the fold—they're the ***Capi-Tones*** featuring Walt Richardson, tenor; Al McConnell, lead; Jack Ritterscamp, bari; and Rudy Partin, bass." Indeed, this was the NC State quartet and they joined the Raleigh Chapter and registered in 1963. In 1964 they changed their name to the ***Kappa-Tones*** and with new lead, Mac McCrary, and bari, Richard Austin, were on the fast track. They competed at the fall 1964 contest in Chattanooga, TN (the first quartet to compete from the Raleigh chapter), performed on the Columbia, SC Parade of Quartets in March 1965 (their first parade) and on the Raleigh Parade of Quartets in May 1965. The ***Kappa-Tones*** won the 1965 Dixie District Quartet Championship at the Fall Convention in Mobile, AL taking the honors over 14 quartets. Their average age was 21 and they were still students at NC State. As reported in *The Rebel Rouser*, June-July 1965, "With Rudy's arranging, these lads combine a modern trend with solid old favorites into a distinctive new style."

With a new configuration of the quartet (Rudy Partin moved to bari and Bill Bernhard took over bass), the ***Kappa-Tones*** qualified for the 1970 International Contest placing 17th and the 1972 International Contest placing 25th.

The Spartanburg, SC Chapter was chartered with 42 members in October 1965. In the spring of 1969 they won the Dixie District Chorus Championship. The record from chartering to becoming chorus champions was now three years and four months. Their director, Warren Bowen, also happened to be the Dixie District President 1969-1970.

Early Time Five ‘N’ Dime
 Greensboro, NC; Raleigh, NC

In 1973 the *Early Time Five ‘N’ Dime*, got serious about competing. The quartet went to Harmony College that summer and then spent several months of intensive rehearsals and performing weekly at the Carowinds Theme Park. All this performing was excellent preparation for the 1973 fall quartet contest where they set several “firsts” when they were crowned the 1973 Dixie District Champion—the first time the quartet had competed, the first time that any member of the quartet had competed, and the first time a Dixie quartet had ever won the championship on its first try.

Ben Denlap took over as lead and they won their second contest, the 1974 spring prelims, to qualify for their third contest, the 1974 International in Kansas City, MO, where they placed 43rd. That has to be a record for only three contests.

The 1974 Spring Convention in Charlotte, NC was a successful one for the Raleigh, NC Chapter. Not only did the *Early Five 'N' Dime* win the right to represent the Dixie District at the 1974 International Contest in Kansas City, MO but the *Sir Walter Chorus* won its second Dixie District Chorus Championship with 46 men on stage. At the time Raleigh was still the largest chapter in the Carolinas and second largest in the Dixie District.

 San Francisco, CA – 37th

This foursome combined more than fifty years of barbershop experience in presenting an exciting new sound. Lead singer, Walt Richardson and baritone Rudy Partin, were former *Kappa-Tones*. Tenor, Harold Nantz, cut his barbershop teeth with the *Chord of Arms*, and Maitland Brann shared his unique bass with the *Virdanaires*. All four were members of the Research Triangle Park Chapter which was chartered in August 1975. At their first contest in Raleigh, NC in October 1975 *Main Street U.S.A.* won the Dixie District Championship. In March 1976 they won the right to represent the Dixie District in the 1976 International Contest held in San Francisco, CA where they placed 37th.

Male Order Music Company

From the beginning the ***Male Order Music Company*** was truly a long distance quartet made up of four singers (right) from multiple cities in two states (Memphis, TN, Nashville, TN, Art Collier, and Asheville, NC). They placed second in the Dixie District Quartet competition in Nashville, TN in October 1976. They qualified in the spring to represent the Dixie District at the 1977 International Contest in Philadelphia, PA where they placed 31st.

Prior to the 1977 fall contest, Harold Nantz from the Research Triangle Park, NC Chapter joined the quartet as the new tenor. He sang the tenor with the 1975 Dixie District Champion, ***Main Street U.S.A.*** The quartet (left) went on to qualify for the next two International Contests making the semi-finals both years. They placed 15th in both the 1978 International Contest in Cincinnati, OH and the 1979 International Contest in Minneapolis, MN.

The Eighties - The Carolinas Decade

The 1980s was the Carolinas decade for winning Dixie District Championships and representing the Dixie District at International competitions. Carolina choruses won nine straight Dixie District Championships 1980-1988 and represented the Dixie District at the International Chorus Contests 1980-1989. Carolinas quartets won three Dixie District Championships and four quartets represented the Dixie District at the International Quartet Contest seven of the ten years.

Leading the charge for the choruses was **General Assembly** from the Research Triangle Park, NC Chapter. The chapter was chartered in October 1975 with Rudy Partin as its musical director. They went on to win an impressive seven chorus championships and seven trips to International Contests (1980-82, 1984-86, and 1989) all of which were top ten finishes including a Fifth Place Bronze Medal in 1986. *The Harmonizer*, January-February 2004, described the chorus' impact this way:

Back in the 1980s, before the **Louisville Times** or **Toronto Northern Lights**, a small chorus was succeeding at the international level. The **Research Triangle Park** chorus from North Carolina stunned the barbershop world with a breathtaking series of performances at international always with fewer than 40 singers. In Salt Lake City in 1986, they took down a fifth-place medal with just 33 men, to the enthusiastic acclaim of the crowd.

General Assembly performed with a great freedom and exuberance while using a deeply resonant vocal production to produce a sound startlingly different from the exclusively "pingy" sound in vogue at the time. Under the direction of Rudy Partin, an extraordinarily talented iconoclast if ever there was one, they were the first "little chorus that could" in the modern era. And although their identify morphed after Rudy's departure, their convincing demonstration that quality did not have to stem from quantity paved the way for the current international chorus landscape, where more is not necessarily better.

Rounding out the Dixie District Chorus Champions and International Competitors during the 1980s were:

- **The Auctioneers** from the Winston-Salem, NC Chapter directed by Jim Gay – 1982 Dixie District Champion and 1983 International competitor.
- **Carolina Chord Company** from the Charlotte, NC Chapter directed by Larry Lane – Dixie District Champion in 1986 and 1987 and International competitor in 1987 and 1988.

The three Carolinas District Quartet Champions and International Competitors represented a mini-youth movement. The first quartet was originally known as the **Carpetchaggers**. Mark Connell (T), Brian Gray (L), Ben Atkinson (Br), and Bruce Atkinson (Bs) were all from the Greensboro, NC Chapter. Within two years of forming they qualified for the 1980 International Contest in Salt Lake City placing 44th. They changed their name to **Vocal Impressions** and won the 1980 Dixie District Champion that fall. Mark Connell was the youngest of the group. Brian Gray would become the Greensboro Musical Director for many years. The Atkinson brothers had been singing together for a long time--they are twins born seven minutes apart.

Next up for the quartets was *Blue Ribbon Edition*, a young quartet from the Winston Salem, NC Chapter. Joe, Jon, Brett, & Mike started singing together at a Christmas party in 1979 and liked the sound and blend. In the fall of 1981 they rode the bus along with *The Auctioneers* to the Dixie District Convention in Chattanooga, TN but had not registered and did not intend to compete. When they got off the bus they decided to compete and were allowed to enter the contest. When all the scores were tallied they had placed 4th overall.

In the spring of 1982, “BRE” decided to compete in the International prelims about four weeks before the contest. The guys thought they sang pretty well at the prelims in Raleigh, NC. The judges said they were second place and had qualified for the International Contest in Pittsburgh, PA. Between prelims and the International Contest they worked really hard, performed on a few chapter shows, and received some coaching. They placed 43rd in Pittsburgh. They again qualified for the 1983 International Contest in Seattle, WA. They were more comfortable on the International Contest stage this time around and placed 32nd. All four quartet men also performed with *The Auctioneers* who placed 9th in the Chorus Contest. That fall they went to the Dixie District Convention in Savannah, GA and won the 1983 Dixie District Quartet Championship.

Midnight Express was another young quartet to have quick success. All four had extensive quartet experience and were members of the Charlotte, NC Chapter. They entered the 1983 fall competition with five weeks’ practice having prepared two songs. When the men made the finals, they spent a frantic Saturday learning more music and finished a respectable third. In the spring they qualified for the 1984 International Contest in St. Louis, MO placing 33rd. The quartet went on to compete at the 1985 International Contest in Minneapolis, MN placing 40th; were the 1985 Dixie District Quartet Champion; and competed at the 1987 International Contest in Hartford, CT placing 22nd. All four quartet men were active singers with the *Carolina Chord Company*.

David Lorenz directed the Charlotte, NC Chapter in 1983. Larry Lane took over as chorus director in 1985 and directed the *Carolina Chord Company* to Dixie District Championships in 1986 and 1987 and at International competitions in 1987 and 1988.

Four experienced quartet men, two of which had recently moved from “up north,” got together around January 1991 and formed the *Crackerjacks* to compete in the spring prelims contest in Knoxville, TN. When the results were announced, Dixie had qualified a record **five** quartets that year, including FRED...but the Crackerjacks had outscored everyone, and they were ecstatic! At the 1991 International Contest their first set went really well and they were shocked (but excited) to learn they made the top 20 their first time out, finishing 19th.

International Collegiate Quartet Contest

The first MBNA America Collegiate Barbershop Quartet Contest was held at the 1992 International Convention in New Orleans, LA. Fourteen college quartets from across The Society competed including the *Blue Ridge Blenders* from Appalachian State University, located in Boone, NC. Medals were awarded for 1st through 5th place and all other quartets were tied for 6th Place. The *Blue Ridge Blenders* placed 6th.

Carolinas collegiate quartets would represent the Dixie District at 13 of the first 17 International Collegiate Quartet Contests. Eight quartets from Appalachian State University went on to compete in 11 International Collegiate Contests—an impressive accomplishment, the more so considering that it included three Collegiate Quartet Medalists. Songs sung in the barbershop style were a part of the Appalachian State University Men's Glee Club repertoire and for several years the last stop on their Spring Break Tour was to be the mic testers at the Dixie District Spring Chorus Contest.

International Seniors Quartet Contest

The first International Seniors Quartet Contest was held in 1986. In previous years all International quartet and choruses contests were held at the International Convention held in July. International Mid-Winter Conventions are held in January and included administrative activities but also featured Friday and Saturday Night shows with the quartet medalists from the previous International Contest.

The Society decided to add a Seniors Quartet Contest at the Midwinter Convention and the inaugural contest was held in Tucson, AZ, January 25, 1986. To qualify for the Seniors Quartet Contest each quartet member had to be at least 55 years old and the quartet member ages must total 240 years or more by the date of the next International Seniors Quartet Contest. And of course that meant that each district had to hold Seniors Quartet Contests and select District Seniors Quartet Champions.

It took several years for the Carolinas to get in the groove for seniors quartet competition, but once they did they had an impressive record. Over the 12-year period starting in 1997 the Carolinas produced eight Dixie District Seniors Champions and eleven International Seniors Quartet qualifiers.

Joint Venture

Research Triangle Park, NC

John Adams and Mike Myers transferred into the Research Triangle Park, NC Chapter in August 1999. They had known each other from previous quartet activities on shows in the eastern seaboard area. John had won a Seniors Quartet Gold Medal as the tenor of ***Reminisce*** in 1995. They joined with Dick Dee and Gene Martin during the summer of 2000 to form ***Joint Venture*** and went on to win the 2001 Dixie District Seniors Championship and compete at the 2002 International Contest. Alan Durick (baritone of ***Reminisce***) joined the quartet and they competed at the 2003 and 2004 International Seniors Quartet Contests.
