Choruses! Seven Choruses in competition, and NEW THIS YEAR, a Chorus Showcase featuring two additional choruses who want to show off, without any "contest restrictions".

And, our **Special Guests! Marty Monson** from BHS and **Rick Taylor** from HFI will join us! Bring your enthusiasm, questions, and warm handshakes. (You need to come say hello!!!)

We anticipate stellar performances, and enthusiastic audiences, and an experience to remember.

Join Us on Stage!

The Chorus Mic Testers will be made up of our unique Joe and Jane Barbershopper Chorus...straight from the audience...and that means you! Come sing with us, sing with others...20, 30, 40? More? It's an unforgettable experience to sing with a large chorus, and it comes with applause.

Come One, Come All...Safely

Please do not forget that it is expected that everyone test for COVID to help protect our singing community.

The Board of Directors has adopted the following guidelines for Carolinas Barbershop Harmony indoor events:

- All attendees are expected as a matter of goodwill toward our singing community to:
- Take a PCR test (regular or rapid/NAAT) no earlier than the day before (48 hours before picking up credentials); or
- Take an Antigen test the day of the event

- Rapid Antigen tests kits will be available at the registration site. Attendees are recommended to have full vaccination against COVID-19 for their own protection in the event they contract the virus.
- Masks are strongly encouraged, but are optional.
