**Presentation of the  
2026 BHS/NAfME  
Music Educator of the Year Award  
to NSC's  
Amy Moyer**

---

On Tuesday, December 16, in Spartanburg, NC, Robert Rund, BHS CEO, presented **Amy Moyer** with the following accolades:

*"It is my pleasure to be here with you tonight and am happy to share a very exciting and surprise announcement.*

*On behalf of the Barbershop Harmony Society and the National Association for Music Education, tonight we recognize **Amy Moyer** of **Wade Hampton High School in Greenville, South Carolina**, as the **2026 BHS/NAfME Music Educator of the Year**.*

*Amy is a **National Board–Certified music educator** and **Winthrop University graduate** who has spent nearly two decades inspiring excellence, inclusion, and artistry in her students.*

*Her choirs consistently earn **Superior ratings** at regional, state, and national festivals—and she's built programs that are as joyful and community-centered as they are musically accomplished.*

*Amy discovered barbershop harmony at **Harmony University in 2019**, and since then has become a powerful advocate for integrating barbershop into music education.*

*Her ensembles have performed at several **BHS Midwinter Conventions**, earning **Outstanding, Second Place**, and **Audience Favorite** honors at the 2024 Junior Chorus Festival.*

*As you saw earlier in this concert, her ensemble will be participating in the **2026 BHS Midwinter Convention in Pasadena**.*

*In 2022, Amy founded **Palmetto Forte**, a young adult chorus that bridges school and community singing. In its contest debut, the group won the **Plateau A title**—a model for how barbershop can sustain musical engagement after graduation.*

*As you just heard, she also sings tenor in **Extra Credit**, the **2025 Carolinas District Quartet Champion**, a quartet of fellow choral educators that performs for schools across the region to inspire students and teachers alike.*

*Her peers call her “**a bridge between the world of education and the world of barbershop**”—someone whose influence has brought both students and educators into the barbershop family.*

*In addition, Amy serves as VP for Youth Outreach and Board Member for the Upstate SC Chapter of BHS. They recently described Amy as “a crown jewel” of the chapter since she joined!*

*Amy Moyer perfectly embodies the shared mission of **NAfME and the Barbershop Harmony Society**: to connect people through music, nurture the next generation of singers, and ensure that harmony—musical and human—continues to grow.”*

Amy's extraordinary abilities helped to expose her to Barbershop. And  
look where it's taken her!

A formal announcement will be made at the BHS Midwinter  
Convention in Pasadena, CA in January.

And even more celebration will occur at our District Spring Convention  
in April, in Hendersonville NC, where you can congratulate her in
